

### PRESIDENT'S REPORT

At the AGM held in April we farewelled two long serving committee members. May St. John had been a valuable member of the Committee for seven years and the Vice President and Membership Secretary for four of those years. May carried out her roles above and beyond her job description and her commitment and enthusiasm is certainly missed. On a personal level, I sincerely thank her for the way in which she supported me and made my job much more enjoyable. We also said farewell to Peter Bright. Peter had been on the committee for 10 years. He joined when I became president in 2011 and his contribution as Asset Manager and a dedicated and hard-working committee member is valued and is an example to all.

As we head into the second half of 2021 we are encouraged by the return of several classes that had been on hold due to COVID restrictions. You will recall that we were unable to hold our annual Open Morning in Toowoomba this past January. However as we are now able to gather in larger numbers (while still being mindful of social distancing rules), we feel confident that we can manage an Open Morning for our new and prospective new members. A big Thank You to the tutors who have agreed to come along and assist us with this. Your class may be full but you will still be able to share information about your

THE UNIVERSITY OF THE THIRD AGE

class that will benefit members in the future. Who better to chat to than the Tutors themselves.

We are still in negotiations with the University of Southern Queensland as to how our members will be able to participate with USQ into the future. Watch this space.

Several of our members attended the Queensland State Conference, recently held in Stanthorpe. Conferences are excellent opportunities for management to gather, and to share information on ways that we can learn and benefit from others' experiences. At this state conference, I was once again elected to the QLD Network Committee.

## Rhonda Weston, AM

On behalf of the U3A in Toowoomba Management Committee and all the members of U3A in Toowoomba, Pittsworth and Crows Nest, congratulations to our President, Rhonda Weston, for the award she received in the Queen's Birthday Honours List.

Rhonda was appointed as a Member of the Order of Australia (AM) for her significant service to aged persons' education and to the community.

Among many messages of congratulations, Rhonda received a letter from Gail Bonser, President of U3A Network Queensland, which I feel expresses the feelings of all those people whose lives have been enriched by Rhonda's work in our community and beyond.

I quote from Gail's letter to Rhonda:

*"You have joined an elite group of Australians who can call themselves Member (AM) in the General Division of the Order of Australia.*

*Your award is so very well deserved. It is a wonderful acknowledgement of the work that you have done and currently do in your community. It is also a fantastic acknowledgement of your commitment to U3A in Queensland, nationally and internationally.*

*While the award recognises your significant service to aged persons' education and to the community of Toowoomba, it is also an acknowledgement of your passionate application to the advancement of U3A in Australia and internationally. We who are members of U3A are very proud of your achievement."*

As members of U3A in Toowoomba, we are so privileged to have Rhonda at the helm of our organisation. Our thanks to Rhonda for her passion and commitment - we are indeed extremely proud of you.

**Anna Carson**  
Secretary

## PPC (Please Park Correctly)

*Y'know, I had a startling dream just the other day  
that there was a new course offering at our U3A  
on "**How To Park Correctly**" (and that means you and me!)  
and to READ the "**ONE WAY**" traffic signs at the PPC.*

*We may have come for yoga,  
to learn a language, sing a song,  
but if we don't drive in, then park correctly,  
many things can go wrong.*

*Trish in the office has more than enough to do  
without checking on the parking of the likes of me and you;  
being parking warden is not on her CV,  
and tracking down a driver tests her serenity.*

*So let's all pay attention - let's drive in and get it right;  
the signs and parking markers are all clear and bright.  
Yes, when arriving at the PPC, one needs to use one's head.  
- and if we're not seeing those yellow markers, Trish could be seeing RED!*

## AS THE CROW FLIES ...

What a great term with lots of U3A classes to attend. I have found the Computer Skills class lots of fun and amazingly helpful. There is just so much I need to learn! "You don't know what you don't know before you know."

I asked other U3A members for comments and here are a few of those.

"Crows Nest Community and RSL Hall is home to many of U3A's classes and, with the recent addition of WiFi dedicated to U3A use, it provides an excellent venue to conduct computer classes. The Computer Skills classes continue with the informal, almost ad-hoc, format with each class responding to the needs of participants on the day. I am encouraged by attendees to continue this format and am assured it continues to meet the needs of all members. **I encourage everyone with an interest in, or challenges with, the on-line world to attend these classes.** I hope to see you in the Hall to join our entertaining and informative sessions -ready with questions and a willingness to participate." - Graham Moore

"I heard about U3A many years ago. I joined at Crows Nest in 2017. At one stage I was travelling to Toowoomba to do three classes in the one day—archery and two music classes! This became a bit much, so I had to drop one of these classes! There were just too many classes that interested me! I was one of the first participants in the Crows Nest computer class, and I still go regularly. There is always something I learn or relearn. Apart from the above classes I have also tried Art, Mosaics and German. Currently, I am involved also in the bird watching and writing classes. I have met so many new people and renewed old friendships and have made new friends who have similar interests." - Lyn Kruger

Comments from members of the 'Planning to Write' group led by Lexia Mackin. "Really helpful. Brilliant teacher, good class." – Liz; "Helpful, useful and supportive. I was in another group and just stopped writing!" – Norma; "A novel way to learn writing skills and meet fellow writers." – Romana

The very popular "Birding Group" led by Mick Atzeni recently visited Crows Nest National Park. They saw 35 species including Peregrine Falcon, Golden Whistler, Rose Robin and Spotted Pardalote.

"I'm in Bird watching and the Australian History class at Crows Nest!! I can hardly wait, each fortnight and every Wednesday for class!! Love how these 'Tutors' know their stuff!! I am always a bit sorry when the session is over because I could listen to Australian History all afternoon!" Pauline Bridge

"I joined U3A when it commenced in Crows Nest. My first choice was Ukulele and I am still enjoying attending the group run by Marita and David Rayner. It is wonderful meeting and communicating with like-minded folk. This year I am also going to Plein Air Drawing & Painting, Food & Herbs as Medicine and Australian History." – Dorothy Kanowski

A big thank you once again to Anne-Marie and David Villiers for their support and help.

**Penny Protheroe**  
Crows Nest Coordinator

## U3A NETWORK QUEENSLAND 2021 CONFERENCE in STANTHORPE

Four committee members, and three members of U3A in Toowoomba Inc. attended the 2020 State Conference. Many of the representatives of other U3As attending commented on the distinctive blue shirts our committee and members wear to events. They certainly make us stand out in a crowd.

Back Row: Trudy Graham, Rod Pullinger, Sue Doyle, and David Weston. Front Row: Leonie Cusack, Irene Bridgeman and Rhonda Weston.
